The Happiest of Holidays to Everyone

It was a busy year for us. But, most of it was just work. So, our letter will be very short this year.

We did get to do a bit of traveling, though, and that was fun. In February, we went to the South Yosemite area for a weekend getaway and had fun in the mud with our SUV—very little snow where we were. In April, we took our usual relaxation journey to the sun in Kaua`i. In August, on our way to and from the annual Pyrotechnics Guild convention in Fargo, ND, we took an extended trip to the Mid-West, visiting friends and relatives we hadn't seen in a very long time (or were meeting for the first time). We also went down to LA in October for a really needed weekend meditation retreat. We continue to work with a local community center and are now on the committee to decide how the massive remodeling is going to be done.

Our Best Wishes to All for the Winter Holidays
